Think

You better think (think)
Think about what you're trying to do to me
Think (think, think)
Let your mind go, let yourself be free
Let's go back, let's go back
Let's go way on, way back when
I didn't even know you
You couldn't have been too much more than ten (just a child)
I ain't no psychiatrist, I ain't no doctor with degrees
But, it don't take too much high IQ's
To see what you're doing to me

You better think (think)
Think about what you're trying to do to me
Yeah, think (think, think)
Let your mind go, let yourself be free

Oh, freedom (freedom), freedom (freedom)
Oh, freedom, yeah, freedom
Freedom (freedom), oh, oh freedom (freedom)
Freedom, oh freedom

Hey, think about it, think about it
There ain't nothing you could ask
I could answer you but I won't (I won't)
But I was gonna change, but I'm not
If you keep doing things I don't

You better think (think)
Think about what you're trying to do to me
Oh Lord, think (think)
Let your mind go, let yourself be free
People walking around everyday
Playing games, taking scores
Trying to make other people lose their minds
Ah, be careful you don't lose yours, oh

Think (think)
Think about what you're trying to do to me, ooh
Think (think)
Let your mind go, let yourself be free

Oh, freedom (freedom), freedom (freedom)
Oh, freedom, yeah, freedom
Freedom (freedom), oh, oh freedom (freedom)
Freedom, oh freedom
